**Student Teaching Practicum
Weekly Reflection #6**

Teachers should be good communicators. They should be able to use effective written, verbal, nonverbal and visual communication to foster supportive interaction in the classroom.

Summary:

1. *Summarize your teaching experiences during the past week.*

Knowledge:

2. *What have you learned this week about effective communication techniques in the classroom?*

Performance:

3. *Describe any strengths and/or challenges that you experienced this week in your ability to communicate effectively with your students.*

Disposition:

4. *How important do you think it is for teachers to be good communicators? What should teachers do to improve their communication skills? What types of communication do you think are particularly effective?*

5. *Write one goal for yourself in regard to communication for the rest of the semester.*
