## Wenning: Summary Data: High School Physics Teacher Recruitment \& Retention

Teacher candidate recruitment: What role do you play in physics teacher candidate recruitment? Please place an " $X$ "' in the appropriate box. (wk = week; mo=month; sem = semester; yr = year)

| Factors | $1-4 \mathrm{x} / \mathrm{mo}$ | $1-4 \mathrm{x} / \mathrm{sem}$ | $0-1 \mathrm{x} / \mathrm{yr}$ |  |
| :--- | :--- | :---: | :---: | :---: |
| 1 | How often do you provide opportunities for your physics students <br> to teach others formally? (class presentations, lab leadership, <br> discussion leadership, student demonstrations, board work, <br> teaching assistant, white board presentations, etc.) | 13 | 6 | 2 |
| 2 | How often do you provide opportunities for your physics students <br> to teach other physics students informally? (small group work, <br> tutoring, lab activities, white boarding, problem-based learning, <br> answering questions in class, etc.) | 21 | 0 | 0 |
| 3 | How often do you express your joy of teaching to your students as <br> a group? | 14 | 5 | 2 |
| 4 | How often do you express your joy of teaching to your students <br> individually? | 8 | 10 | 3 |
| 5 | How often do you encourage your students as a whole to become <br> teachers in general? | 1 | 11 | 9 |
| 6 | How often do you encourage individual students to become <br> teachers in general? | 1 | 12 | 8 |
| 7 | How often do you encourage your students as a whole to become <br> teachers of physics and/or physical science in particular? | 0 | 8 | 13 |
| 8 | How often do you encourage individual students to become <br> teachers of physics and/or physical science in particular? | 1 | 7 | 13 |
| 9 | How often do you talk about the nature of teaching with your <br> students? | 6 | 12 | 3 |
| 10 | How often do you express to your students that one of the rewards <br> of teaching is the opportunity to make a difference in the lives of <br> others? | 3 | 12 | 6 |
| 11 | How often do you speak with your students about the benefits of <br> teaching (summers off, opportunity to be creative, etc.) | 3 | 12 | 6 |
| 12 | How often do you speak with your students about the growing <br> demand for physics/science teachers? | 2 | 6 | 13 |
| 13 | How often do you relate a particular student's general abilities <br> (personality, good grades, interest) to the job of teacher? | 3 | 11 | 7 |
| 14 | How frequently do you relate the applicability of physics to <br> phenomena encountered in everyday life? | 20 | 1 | 0 |
| 15 | How frequently do you talk about the nature of science and/or the <br> scientific endeavor? (NOT Applicable but data are provided) | 15 | 4 | 1 |
|  | 6 | 2 | 2 |  |

Student involvement: How frequently are your students involved in the following activities?

| Factors |  | daily | $1-4 \mathrm{x} / \mathrm{wk}$ | $1-3 \mathrm{x} / \mathrm{mo}$ | $1-3 \mathrm{x} / \mathrm{sem}$ | never |
| :---: | :--- | :---: | :---: | :---: | :---: | :---: |
| 16 | Making prepared class presentations | 0 | 4 | 4 | 11 | 2 |
| 17 | Providing whole class lab leadership | 0 | 3 | 3 | 6 | 9 |
| 18 | Serving as a whole class discussion leader | 0 | 2 | 1 | 11 | 7 |
| 19 | Presenting a demonstration to the whole class | 0 | 2 | 4 | 11 | 4 |

| Factors | daily | $1-4 \mathrm{x} / \mathrm{wk}$ | $1-3 \mathrm{x} / \mathrm{mo}$ | $1-3 \mathrm{x} / \mathrm{sem}$ | never |  |
| :---: | :--- | :---: | :---: | :---: | :---: | :---: |
| 20 | Speaking to the whole class about board work | 2 | 10 | 5 | 4 | 0 |
| 21 | Working as a teaching assistant | 0 | 3 | 3 | 6 | 9 |
| 22 | Participating in small cooperative group work | 4 | 12 | 4 | 1 | 0 |
| 23 | Tutoring other students one-on-one | 2 | 10 | 3 | 5 | 1 |
| 24 | Using white board strategies | 1 | 7 | 3 | 3 | 6 |
| 25 | Involved in problem-based learning dealing with <br> lomplex real-world problems | 2 | 5 | 6 | 4 | 4 |

## Teacher retention: To what extent do each of the following factors play in making you glad that you are a teacher?

| Factors |  | Very <br> important | Somewhat <br> important | Not <br> important |
| :--- | :--- | :---: | :---: | :---: |
| 26 | Ability to make a positive difference in the lives of students. | 1.14 | 1 |  |
| 27 | A chance to contribute to the building up of society in general. | 1.33 | 5 -tie |  |
| 28 | The joy of working with people in general and youth in <br> particular. | 1.29 | 4 |  |
| 29 | A love for the subject matter. | 1.33 | 5-tie |  |
| 30 | The joy of being able to share knowledge with others. | 1.33 | 5-tie |  |
| 31 | The great respect shown for me as a teacher. | 2.24 |  |  |
| 32 | The sense of admiration that people have for me being a teacher <br> of physics and/or physical science. | 2.43 |  |  |
| 33 | The pleasure of demonstrating scientific principles. | 1.52 |  |  |
| 34 | The salary | 2.24 |  |  |
| 35 | Joy of working with students in a variety of settings. | 1.19 | 2-tie |  |
| 36 | Watching students rise to the challenge of physics. | 1.19 | 2-tie |  |
| 37 | Academic year allows me to have summers off. | 1.90 |  |  |
|  | Other (please specify): |  |  |  |
|  |  |  |  |  |

Teacher attrition: If you were to leave the teaching profession, how important would each of the factors be in your decision-making process?

| Factors |  | Very <br> important | Somewhat <br> important | Not <br> important |
| :--- | :--- | :---: | :---: | :---: |
| 38 | Re-certification requirements | 2.33 |  |  |
| 39 | Requirements imposed by diversity (e.g., IEP's, <br> multiculturalism) | 2.19 |  |  |
| 40 | Political correctness | 2.19 |  |  |
| 41 | Lack of suitable materials for teaching (e.g., demonstrations, <br> labs) | 2.14 |  |  |
| 42 | Boredom with subject matter | 2.33 |  |  |
| 43 | Unrealistic expectations of parents | 2.24 |  |  |
| 44 | Unrealistic expectations of administrators | 1.95 |  |  |
| 45 | Unrealistic expectations of students | 2.33 |  |  |

| $\quad$ Factor |  | Very <br> important | Somewhat <br> important | Not <br> important |
| :--- | :--- | :---: | :---: | :---: |
| 46 | Poor attitudes of students (e.g., disrespect, misbehavior, <br> disinterest, laziness, flippant attitudes, disengagement, etc.) | 1.67 | 1 |  |
| 47 | Student misbehaviors (e.g., disrespect, bad language, fights, <br> etc.) | 1.71 | 2-tie |  |
| 48 | Unrealistic demands placed upon science teachers | 1.81 | 8-tie |  |
| 49 | A personal sense of professional inadequacy | 1.9 |  |  |
| 50 | Too much diversity among students in terms of interest and <br> ability. | 2.71 |  |  |
| 51 | Low ability levels of students (e.g., math inadequacy, poor <br> logic) | 2.43 |  |  |
| 52 | Experiences differ from expectations | 2.29 |  |  |
| 53 | Inadequate professional preparation by teacher education <br> program | 2.67 |  |  |
| 54 | Requirements for documentation of lessons (e.g., daily lesson <br> plans, unit plans) | 2.52 |  |  |
| 55 | Legal liability concerns (e.g., civil law suits) | 2.19 |  |  |
| 56 | Salary not consistent with experience, knowledge, and work | 1.95 |  |  |
| 57 | Unrealistic or unfair teaching load | 2. |  |  |
| 58 | Too many class preps. | 1.86 |  |  |
| 59 | Too much of a demand on personal/family time | 1.76 | 6 -tie |  |
| 60 | Lack of or low level of fringe benefits | 2.1 |  |  |
| 61 | Undesirable location (e.g., urban vs. suburban vs. rural) | 2.33 |  |  |
| 62 | Inability to get a "desirable" job (e.g., inadequate salary, poor <br> location, low socioeconomic status of students) | 2.29 |  |  |
| 63 | Lack of support and respect from students, parents, or <br> administration | 1.71 | 2-tie |  |
| 64 | Teaching outside of my endorsement area(s) | 2.24 |  |  |
| 65 | Great appeal of a non-teaching job | 1.95 |  |  |
| 66 | Sense of being under-prepared to teach physics subject matter | 2.69 |  |  |
| 67 | Sense of being under-prepared to establish and maintain an <br> engaging classroom environment | 2.57 |  |  |
| 68 | Growth of demands on teachers without increased <br> compensation | 1.9 |  |  |
| 69 | Unrealistic expectations by students, parents, and/or school <br> administers | 1.95 |  |  |
| 70 | Lack of induction process and mentoring | 2.81 |  |  |
| 71 | Unfair distribution of workload between experienced and <br> novice teachers. | 2.52 |  |  |
| 72 | Recent changes in re-certification procedures (CPDU's/CEU's) | 2.52 |  |  |
| 73 | Required high-stakes testing | 2.24 |  |  |
| 74 | The No Child Left Behind initiative | 2.14 |  |  |
| 75 | Lack of adequate class preparation time |  |  |  |
| 76 | Growing accountability of teachers for student learning |  |  |  |
| 77 | Overly large class size (e.g., 30+ students) |  |  |  |
| 78 | Lack of academic success among students being taught |  |  |  |

| Factors |  | Very <br> important | Somewhat <br> important | Not <br> important |
| :--- | :--- | :---: | :---: | :---: |
| 79 | Increasing family demands (e.g., child rearing) | 1.71 | 2-tie |  |
| 80 | Relocation of spouse | 1.71 | 2-tie |  |
| 81 | Approaching retirement age | 1.76 | 6-tie |  |
| 82 | High cost of health coverage in relation to salary | 1.81 | 8-tie |  |
| 83 | Negative impact of teaching on family | 2 |  |  |
|  | Other (please specify): |  |  |  |

## Your school: Please tell us a bit about some of your school's offerings; delete incorrect responses.

| 84 | Does your high school have a science club? | YES-10 | NO-8 | Uncertain-3 |
| :--- | :--- | :--- | :--- | :--- |
| 85 | Does your high school have a Scholastic Bowl, Science <br> Olympiad, WYSE, or JETS team? | YES-18 | NO-3 | Uncertain |
| 86 | Does your high school have a club for future teachers? | YES-5 | NO-15 | Uncertain-1 |

## Demographic information: Tell us a bit about yourself. (Please delete incorrect responses or type in correct responses if blank)

| 87. Has one of your students ever gone on to become a high school physics or physical science teacher? | YES-10 NO-8 Uncertain-3 |
| :---: | :---: |
| 88. What is/are your original secondary endorsement area(s) of teaching certification? | Physics-3 Chemistry-3 Biology-3 <br> Math-0 Muliple-12  |
| 89. How many years have you been teaching as a science teacher? | $1-5(4)$ $6-10(4)$ $11-15(3)$ $16-20(2)$ <br> $21+(8)$    |
| 90. Are you currently endorsed to teach physics? | YES-20 NO-1 Uncertain |
| 91. How many physics content courses (not methods courses) have you taken in college? | $12(10 \%) 3$ ) $10 \%$ ) 45 or more( $80 \%$ ) |
| 92. What post-college training in physics do you have? | $\begin{array}{lll}\text { Summer workshop(38\%) Regular graduate- } \\ \text { level course (43\%) } & \text { both(14\%) } & \text { none(5\%) }\end{array}$ |
| 93. How well-prepared do your feel to teach physics? | Very well-62\% Fairly well-38\% |
| 94. Do you have satisfactory lab equipment and space? | YES-67\% NO-33\% |
| 95. Do you have satisfactory demonstration equipment? | YES-67\% NO-33\% |
| 96. How did you obtain your certification? | Regular Teaching Prog.(86\%)Alt. Cert. Prog.(14\% |
| 97. During what year were you originally certified as a second school teacher? |  |
| 98. Please specify any careers besides teaching science |  |
| 99. How many physics courses do you teach each year? |  |
| 100 . How many different physics courses do you teach daily? |  |
