

PHY 312 Case Study Assessment Form

Student/Tutor Name: _____

Your Documentation and Reflection Forms (referred to herein after as “form”) will be scored as a group. Ten are required. Missing forms score zero and will lower the score on this project. The following criteria will be used to assess the Case Studies forms:

	Excellent (4 pts)	Good (3 pts)	Fair (2 pts)	Poor (1-0 pts)	Score
Documentation	All cells of every form have been completed and tutor evaluation forms have been attached in all cases.	All cells of every form have been completed and tutor evaluation forms have been attached in less than 8 cases.	Most cells of every form have been completed and tutor evaluation forms have been attached in less than 6 cases.	Only some cells of every form have been completed and tutor evaluation forms have been attached in less than 4 cases.	
Reflection	In the opinion of the assessor, the tutor has provided a reflection that is honest and well grounded in the facts provided; the tutor has clearly indentified own learning in light of identified personal deficiencies.	In the opinion of the assessor, the tutor has provided a reflection that is honest but not well grounded in the facts provided; the tutor has clearly indentified own learning but not in relation to personal deficiencies.	In the opinion of the assessor, the tutor has provided a reflection that is biased in spite of the facts provided; the tutor has failed to indentify own learning.	In the opinion of the assessor, the tutor has provided a reflection that is biased and not well grounded in the fact; the tutor has failed to indentify own learning.
